

BACK TO SCHOOL CHECK LIST

Create your Committee 01 Ask for help from teachers and parents to help with the yearbook. Get Organized 02 Assign user roles for who is responsible for certain tasks. Create a Page Ladder Before you start creating your yearbook, creating an outline can help 03 make the work easier! Download our free Page Ladder to get started! Set Sales Goals 04 Create your yearbook budget, so you know exactly how much money you need to raise. Pick a Theme 05 Selecting a yearbook theme and cover is a great way to showcase your school's spirit and give your book a cool look! Start Selling 06 Set up Parent Storefront for online sales. Promote and Sell the Yearbook Send emails and order forms home to parents so they can pre-order the book. Take Lots of Pictures 08 There are many fun activities in the first month of school. Don't miss a moment. Know your Portrait Photographer 09 Make sure they know to create your portraits in a PSPA format.

The yearbook is more than just an archive for the school. It's your

school's story to share with the world!

Have Fun!
